Discover CIMC

Chartered Institute of Management Consultants - CIMC - is a professional body for management consultants and those in the management consulting arena.

The Chartered Institute of Management Consultants is dedicated to high ethical and professional standards within the profession and are committed to raising the profile of the management consultant.

The CIMC has an expanding membership who work at all levels of management

consultancy and are represented in countries across the globe.

Globally, the Chartered Institute of Management Consultants shows the way for those working in the management consulting arena by upholding high ethical standards and good governance.

Our Values

Our core values are the principles that guide us as a professional body for management consultants. These values include honesty, integrity, respect, responsibility and leadership.

We offer a number of designations designed to help develop core skills for management professionals. All our courses are 100% online and offer members flexible learning options..

Become a Member

We know that choosing membership to a professional body can be a big step forward in your career and public standing, so the Chartered Institute of Management Consultants offer support, guidance and continuing professional education to all our members.

The Chartered Management Consultant[®] - ChMC - designation is the premier designation of the Chartered Institute of Management Consultants.

The ChMC certification is attained by meeting the eligibility of both education and professional experience.

CIMC membership is open to management professionals with a minimum of three years experience in the profession.
